

An Assignment to Perform a Practical Application of the Accounting Guideline for PPPs on Four Closed Projects.

The National Treasury seeks the services of a multi-skilled and empowered accounting consultancy firm to carry out an assignment on "Accounting Treatment for PPPs" on a sample of four closed PPP projects, based on the draft accounting guideline for PPPs as developed by the Accounting Standards Board.

The Public Private Partnership (PPP) Unit of the National Treasury will administer the assignment on behalf of a National Treasury task team.

The consultant must have skills, resources and experience in the following:

- International expertise and access to accurate and detailed information on international practices related to the accounting treatment for PPPs
- Ability to mobilise this expertise rapidly
- Proven experience and understanding of accounting treatment for PPPs
- Understanding of project finance and PPPs

Bids will be evaluated in terms of applicable procurement legislation, on technical, PPPFA and price considerations, and may include interviews with short-listed bidders.

Bid documentation detailing the Terms of Reference and bid requirements are available from kgatedi.kobe@treasury.gov.za or www.treasury.gov.za (go to PPP icon)
