The department of Roads and Transport seeks to appoint a transaction advisor for a feasibility study and possible PPP procurement for the restructuring of Fleet Management Services. The department has identified the need for the restructuring of the Fleet Management Service in order to bring an efficient and effective fleet management solution and public-private partnership (PPP) may be a possible solution.

In accordance with the relevant National Treasury regulations and *National Treasury's PPP Manual and Standardised PPP Provisions*, a suitably skilled and experienced transaction advisor is required to assist the department with: (a) the feasibility study for Treasury Approval: I (b) production of all bid documents, including draft PPP Agreement, for Treasury Approval: IIA (c) PPP procurement and value-for-money report for Treasury Approval: IIB (d) negotiated PPP agreement and PPP agreement management plan for Treasury Approval: III (e) a close-out report and case study.

The procurement phase will be decided by the department only on completion of the feasibility study, and the department reserves the right to end the transaction advisor contract on completion of the feasibility study.

Bidding documents will be available as from the 26 August 2005 at the following Tender Board (satellite) Offices:
